Appendix A – Family Heirloom Worksheet

Family Heirloom Worksheet

Let's find treasures from your family history. Ask your parents, grandparents, or any family members to show and tell you about a family heirloom that is meaningful and has been carried on through generations. Ask your family the questions below and record your answers on this sheet. Then, bring the heirloom and this worksheet to class, ready to present the "story" of this heirloom to your fellow students

What is it?

Where was it made? What was it used for there?

Who used it? When?

What special significance does this item have for your family?

What special significance does this item have for the Jewish world?

Is there a special story about this item?

Why is this item passed on from generation to generation?

What can we learn about your family's country of origin from this family heirloom?
